Barbara was my oldest friend and colleague. Her life always reflected her faith in God. She treated others with love and respect. Barbara influenced for good hundreds of kids and their parents at Children First, the Johnson City Housing Authority, Head Start and Carver Rec. I will miss Barbara very much. My love and prayers go out to the family and friends. I am sure the Lord welcomed her with open arms. She was His good and faithful servant.

“ I will always and forever love Ms. Bobbie. She took my children and I under her wing when I moved into the Carver housing development. I was new to the area and way things were having moved from Germany to Tennessee. She was always there to lend a helping hand and support us. The last words she spoke to me were "I always keep you and your family in my thoughts and prayers. I love you, you are so special to me. " I will treasure those words always. You will always be dearly missed by us. Rest in heaven Ms. Bobbie, until we meet again. 😊

“ *This was terrible, terrible news. Aunt Bobbie was a gem. Incredible. Somehow, she always found the time to be there for others in just the right way. Anybody who knew her had good things to say.*

She wrote loving notes that found their way to me during tough times away in the service. And she put her hand on my shoulder at mom's funeral. It's widely known how much she loved and cared for Shannon especially after we lost Marcie and he really needed it. She helped make sure people kept their lights and heat on in the winter. She kept the Langston community together. She was faithful, very faithful. She was also so cheerful! And she did it all while being perpetually beautiful! The birthdate listed above must be an error! What a great, great, great, great person.

Everyone has my deepest, deepest condolences.

Ms. Bobbie had a calm that brought peace, and a firm determination that kept her going. Her voice was music, and she was a mother to scores across generations. She modeled her faith by her life...every day. We are blessed to have known her, and we extend our heartfelt condolences to you, Ms. Bobbie's family. “ *So sorry to hear of Miss Bobbie's passing.. I miss her already. She was everybody's mom and a wonderful person to talk to... if you needed something done, Miss Bobbie would find a way to get it done. Hers was a familiar face at the Carver Rec Center and usually you could find her there, working on a civic project, coordinating a youth activity or even cooking in the kitchen. I worked with her on so many projects... most notably, she was the secretary-treasurer of the Great Golden Gathering Association, the reunion of Black high Schools in upper Tennessee and SW Virginia.. she also worked on the association's charter and by-laws. It was an honor and privilege when she asked me to emcee the Pastors & Deacons Fashion Show at Carver Rec (twice)... what a great way to pay respect to our local ministers and church administrations! I had just spoke to her a couple of months ago and will always cherish that last conversation among all the ones we had. Love and sympathy to Richard and the family, her church family and her many friends. I'm honored to just have known her.*

“ My heart is terribly heavy with sorrow upon learning that Ms. Bobbie has transitioned from her earthly body and through that veil into eternity. There is a selfish side within me that wanted her to be here just a while longer. She had a smile so bright that it lit up a room when she entered. There was absolutely nothing pretentious about her; however, her presence could always be felt. Ms. Bobbie was a second mother to many, a confidant and treasured friend to even more people than you can easily count. You felt her love and sincere interest in your life when she inquired about you and your family. She offered advice and regardless of the conversation she always ended with reassuring you that she loved you and would be praying for you. Somehow, no matter how burdened you might have been at the beginning of the conversation, by the end, you felt like everything was going to be alright in God's Time. She never left you hanging because she would call to check up on you and offer assistance. If she could not help in any situation, she would network with others in the community until the problem was solved. She modeled this fortitude within her own life as she reared her family, suffering the loss of family members, working for the good of others and never questioning " why". She encouraged so many regardless of the challenges and you caught yourself hearing her words of wisdom in the deep recesses of your mind telling you to keep your eye on the prize. So, as Heaven's Gate opened and the Death Angel brought her to the Throne of God and Jesus greeted her, I truly believe He said, "Welcome Home ! They good and faithful servant. You have labored long and well, take your rest." For those left behind, may we, too, follow her lead and work to make this world better, one deed at a time, one day at a time. I think the world is just a bit better because of her living which was not in vain. To the family please accept my sincerest condolences and know that I grieve with you. However, rest in the knowledge that God will comfort and guide you through the dark days and His Comforter will bring you precious memories in those moments and through tears, you will once again smile. Each of you will remain in my thoughts and prayers and I

send love from the Hart and Rutledge family.

My mother and Mrs. Lollar were the best of friends, as they lived next to each other, in the house I also reside. “ We join you all in your sorrow at the transition of a rare and special jewel in Mrs. Bobbie. She spread God's love and light, wisdom and promise with generations of family, friends and everyone who crossed her path. I see her smile and am reminded of her loving kindness. She will be missed dearly by all. We pray your comfort and may your faith be strengthened in knowing God has allowed His jewel her perfect peace and resting place in His presence. Our condolences, thoughts and prayers are with you all. 🙏
