

Ms. Callie L. Redd

June 6, 1938 - July 12, 2025

Callie Luella Gillespie Redd was born on June 6, 1938, in Washington College, Tennessee, to Robert E. Gillespie and Vera Goines Gillespie. She was the eldest of three children.

As a child, Callie attended Booker T. Washington school in Jonesborough, Tennessee, Douglas Elementary, and Dunbar Elementary. She graduated from Langston High School at the age of 16 as salutatorian of her class. During her time at Langston, Callie was a member of several clubs, was a member of the band, playing the clarinet and the oboe, and was a majorette. In her junior year, she appeared on WJHL and WETB radio as a member of the Clarinet Quartet. Callie's hard work in school earned her scholarships for academics and band. From 1955 to 1959, Callie attended Knoxville College, where she received a Bachelor of Science degree in Education. In December of 1972, she earned her Master of Arts in English from East Tennessee State University.

Callie married the love of her life, Samuel David Redd, on July 29, 1966, in Aberdeen, Maryland. On May 19, 1969, Callie and Samuel welcomed their first child, Kim J. Redd, in Fort Ord, California. She was smart and driven, like her parents, and earned a Master of Arts degree in Medical Anthropology from Georgia State. Only three months after receiving her degree, Kim was called home on March 29, 1999, in Johnson City, Tennessee. After 54 blessed years

of marriage, Samuel was called home on December 19, 2020.

Callie had a passion for learning and exploring. She enjoyed reading and studying the Bible, reading fiction and non-fiction literature, solving crossword puzzles, and working in her yard. She also traveled to all 50 states as well as parts of Canada and the Bahamas. As much as she loved gaining knowledge for herself, she also loved to pass it on to others. She worked for 36 years in 4 schools in the Johnson City School system. Through the years, she taught English and French, served as a homeroom teacher, oversaw extracurricular activities, and chaperoned student trips to D.C. and New York.

Callie became a member of Grace Temple Church at the age of 12 and remained involved in the church throughout her life. She served as a Sunday School teacher, women's coordinator, Victory Choir member, Kitchen Aid, clean-up committee, usher, and bulletin board caretaker. She was also an active community member serving in the NAACP, Monday Club, Alpha Kappa Alpha Sorority, and Senior Citizens Board. For her dedication to teaching and her community, Callie was inducted into the Science Hill High School Sports Hall of Fame in 2007, the Carver Recreation Center Wall of Fame in 2017, and the Johnson City School Hall of Fame in 2019.

Callie was called home to join her Savior and family Saturday, July 12, 2025, at her residence. She leaves behind a legacy of excellence, grace, and above all, faith in God that will be remembered and cherished.

In addition to her loving husband and daughter, Callie was preceded in death by her parents, Robert E. and Vera Goines Gillespie, and her brother, Thurston Lavoid Gillespie.

To cherish her memory, Callie leaves behind her sister, Bobbie Gillespie Scott; sister-in-law, Shelby Redd; and several nieces, nephews, relatives, and

friends.

In lieu of flowers, the family requests that donations be made to the Science Hill High School girls' basketball team.

“ *I was so sorry to hear of Callie's passing! I worked with Callie at Science Hill during the 90's. She was a super, professional, classy lady always with a smile on her face and expressed joy from her heart. Callie was an effective presence in the classroom and in numerous extra-curricular activities, well-known, well-liked and respected. We travelled with the boys basketball team to Alaska in the mid 90's and my wife Pam and I enjoyed spending unforgettable time with Callie. A Hall-of Famer and Community icon that created a legacy that Johnson City can be proud...Callie will be missed! Jim Heaton*

“ My sweetest sweetest Mrs. Redd! My goodness this has hurt many hearts but one thing I know without a doubt is your love for The Most High! You were like a breath of fresh air and the sweetest, so sweet my heart jump every time I got a hug from you! You were a special woman with a legacy that will live on forever! Your support while I was at SHHS playing basketball was everything. You loved us girls like we were your own. We had many talks about my mama and my Granny Ruby and those I will cherish forever. Take your rest thy good and faithful servant. I love you forever and always!

“ My heart is a little more than broken.. My sweet Mamaw Redd entered into heaven July 12th at 4:30 pm. How do you say goodbye to someone you've known your whole life? Mamaw I know this isn't goodbye, I know you are at rest with papaw and Kim. I keep looking out the window hoping you'll walk out your door. Your body was tired and you begged Gof to take you.

Thank you for loving me and your God babies unconditionally. Thank you for all the talks the hugs, the kisses, the advice and wisdom you gave. I'm not okay pulling into the drive way knowing you aren't next door. So thank you for the laughs, the stories, and the memories. Missing you much but loving you always.

“ We remember and hold in “high esteem and honor,” Mrs. Callie Gillespie Redd. She was a wonderful, gracious, and gifted Woman! Her cheerful personality and “passion for teaching” inspired and motivated countless young people to “fully embrace” learning during their high school endeavors.

Moreover, she “lifted the hearts and spirits of others,” in a positive way. Using her keen intellect, charm and humorous wit, Mrs. Redd maintained various enduring relationships with many students and educational professionals, during her life and career, in a profound and positive manner.

She was an accomplished teacher beloved by her “Langston High School “Family” of students” and fellow faculty members. She always greeted friends, students, and associates alike with a “cheery smile” and warm words of comfort coupled with “a little bit of humor.” We cherish our many wonderful experiences and memories of Mrs. Redd, as someone who had a profound positive impact on our lives, as individuals and then as a married couple.

We send our prayers, thoughts of comfort, and Love to her Family and many friends,

Nancy and Norman Howard

“ My heart is heavy with the news of Callie’s passing because I was blessed as having her as a mentor, friend and by the DNA from the Gillespie family tree that made us cousins. Callie always carried herself with such grace whether in the classroom, at a professional gathering, church, or if you ran into her when she was “ out and about.” Her smile and laughter lit up any room that she was in and she was a wealth of knowledge. After her retirement from Science Hill I joined the faculty as an English teacher and her contributions to the department were often discussed and I would share them with her when we talked and she was always so humble in her response. On the other hand she was the last surviving teacher of our beloved Langston and with her passing there is that sadness but her presence will always be felt as stories of former “Langstonites” share with the sons and daughters of Langston and their descendants. Heaven is a bit brighter as I can only imagine the radiance that her presence brought as she was reunited with her beloved daughter, Kim, and her husband, Sam. Oh! what reunion that is occurring as she is with the ancestors and to be able to look upon the face of Jesus. Sending prayers to Bobbie in the loss of your sister and to the members of the extended Gillespie and Redd families. Callie has fought the good fight and let her legacy be honored through integrity, love of God and respect for truth over frivolity.
