“ My heart is heavy and saddened to hear about the passing of a person who even though I haven't seen in quite some time, it was always like the next day whenever our paths crossed. Calvin was more than just a classmate. He was an extension familial extension to all who truly knew and loved him in Johnson City on so many levels. My father, the late Sam Bundy, always had a strong kinmanship with him when they were in dialysis together and I appreciated hearing about their bond through my father's words. I light a candle for you , Calvin down here in Houston,Tx and prayers to the entire Goddard family for your loss as I grieve along with you. I am truly saddened and just now hearing about this.
