I'm so sad to hear about your loss. My mom Aretha always called Ms. Jackie "Jackie Blue" because of a song that Jackie liked that had the same name. I miss glancing over across the street and seeing her dancing in front of the window trying to learn the latest dances. I also remember Jackie coming over the the house asking me to help her with her cable. We both had a good laugh about it as I thought we were both going be electrocuted as we had cable wires everywhere! She's in the presence of God now overflowing with love, comfort and peace.
