“ *I just learned of James passing. We were in school together . There was a lot of heartache involving classmates in school, yet not from James and Gary. They treated me so kind and respectful, they comforted me when I cried, they tried to take care of me, and stop me from being picked on. I never got to tell you how much you meant to me as an adult, thank you and I love you.. fly high brother James see u when I get there*
