“ *To the Glispie family, I also grew up around John, Noah, Deborah, Phil and Ralph. Deborah and Phil were in my graduating class. My prayer is this, that the peace of God that surpasses our human understanding, may it surround and sustain you in the days and weeks ahead as you each process John's loss. Peace & Blessings ~ Jeff Harris, Richmond, VA.*

My condolences to John's family. We grew up in the same neighborhood and attended the same college TSU. John knew everything about football and players, and games that were played, and he will remind you daily doing the season. He will be missed, but remember there is always joy in God's work which brings comfort to the family. John is at peace. RIP

“ *John used to live on the street over from me when we were growing up. He was always such a good guy and I remember him as being a smart kid in school. The only thing good is that he no longer has to suffer with that terrible disease. I will miss seeing him and will always value his friendship. Bill Campbell*
