“ *I remember when I moved back to keystone and lived two apts down from Kathy. Her and Trish would be sitting on the porch in evenings or on their days off. She was so nice to me. Always had some words of wisdom for me to help raise my boys at the time. She always kept eye out for my son Blake when he he was out side. During that time he was character. I know he was often a source of entertainment for her. Prayers for the family*
