“ To my dear, beloved and sweet sisterfriend. Your loss saddens me but I know that you are resting with our master now pain-free and have been made anew. You were tired and he has given you rest. I will never forget our years together at South Fulton Medical Center where you had my back and I had yours. That will never change. Watch over your children and grandbabies.

I love, love, love you so very much! Rest in perfect peace,

Sandra Capers

“ My favorite memory of my mother in law was seeing the joy on her face dancing with my husband at our wedding. The light in her eyes and love in her heart was contagious. ❤️

“ My best memory of my cousin Kathy was when I was a young teenager and they lived with my aunt Mill in Harlem and I could not wait for the weekend to come where I was allowed to go spend the weekend with them Cathy and Barbara we used to have so much fun on those weekends I think as a young teenager those were the best times of my life....Till we are together Again 🥰🥰
