“ Kirby was always so good and kind to me. I met him for the first time at New Covenant. He taught me so much and I will always appreciate him so much. Everytime I saw him he remembered my name and always had a kind word. Thank you Pastor Kirby for being a wonderful Godly example for me and so many others.

“ Our thoughts and prayers are with the family and friends left behind. We were blessed to be able to witness Pastor Hill's ministry the past year while attending Jubilee. He was definitely a gem, and graciously shared the Word with wisdom and understanding. "To be absent from this body, is to be present with our Lord". Steve Isom (Candi English) and family

“ Even today, I have a clear vision of Pastor Kirby and Pastor Deb with my family, sitting at my mom's dining room table May of 2016 shortly after her passing. They were instrumental and gracious in helping prepare her service. This true Man of God would deliver her eulogy, but delivered much more. He was my strength. Prepare a funeral service..? Never... His presence alone lifted a heaviness and I felt "God's peace beyond my understanding." We prayed. Later we talked as I gave him a special song, prayers, family requests, all in remembrance of mama. On the day of the service, he delivered a service filled with love, you could truly feel the love More than I could have ever imagined, he conveyed mama's life with such eloquence. I know he is with us now. He loved us always. I continue to love him. My deepest thoughts and prayers are with Pastor Deb, family and friends, the church family and those whom lives he touched. My life has been blessed to have known him.

“ As a teenage assistant to The Senegalese-Ibo Community Center in Alcoa, TN in 1972, Kirby Hill, along with Paul Gilbert, exhibited the kind of responsibility that one would normally expect to see in adults. He had the respect and love of all who enjoyed the activities at the center and will be missed.
