“*A distinguished and beautiful lady, Mrs. McKinney, was both well-known and beloved throughout the community. She greeted everyone with a warm smile and “cheery words of encouragement”. Mrs. McKinney was a great example for others to immitate as a mother, community leader, achiever, professional, and woman of God. She will be missed by all who knew her.*

Sending our “heartfelt” prayers and sympathy to her family,

“Mrs. McKinney is best described as a guardian angel, ordained from heaven. She and Mr. McKinney took me under their wings as one of their own in 1983 when I was a medical student at Quillen College of Medicine.

Ms. McKinney always lovingly called me "baby" and I always called her "mom". I will forever be grateful to the McKinney's for all the support, encouragement, love and compassion received over many years, which helped to mold me into the person I am today. They will forever hold a special place in my heart.

“ *God called an Angel home! Ms. McKinney is a big reason for who I am today. She helped my parents and me with my college application. She took the time to be there on many occasions when we were not sure of the financial resources available, as well as other things. Such a dedicated person willing to help others succeed. Rest well sweet lady!*

“ Aunt Marion will be missed. Each year I enjoyed a Christmas card from her. She never missed a beat. I could call her and we had interesting conversations. On my last visit home, I had a chance to visit her and like always, happy to see me. Auntie you'll forever be in my heart. To my family, you're in our prayers and we love you all.
