

Marshalle Lavonne "Marshie" Coleman

May 12, 1964 - November 17, 2020

Marshalle Lavonne "Marshie" Coleman

Marshalle Lavonne "Marshie" Coleman, 56, of Johnson City, Tennessee, transitioned this life on Tuesday, November 17, 2020 to reside with the ancestors following a lengthy illness at NHC Health Care Johnson City. Marshie, the eldest daughter of the late Marshall Hubert Coleman and Frances Mary "Frankie" Coleman who preceded her in death. She was preceded by her longtime friend and husband, Kevin Moton Sr. along with Emily Virginia "Nanny" Coleman, who helped raise her during her early childhood, and her grandmother Mable Alice Whiteside Coleman.

Marshie was born May 12, 1964 and the oldest of three children. She was a 1982 graduate of Science Hill High School, who went on to earn two degrees from Draughons Junior College and East Tennessee State University. Marshie loved learning and encouraged all she met to continue developing a growth mind.

"Life of the party!" The term all would use to describe her personality, whether at work, family gatherings, or vacationing. As a consummate professional, she valued her work as a medical billing specialist in assisting people in times of intense medical situations. Working at Northside Hospital as a central billing clerk, she served sixteen years with close friends and family. She spent the

latter part of her professional life at the State of Franklin Health Care Associates as a central billing Specialist in 2011 until she retired with health concerns. She supported people when their medical needs were confused by medical terms and logistics. Even in these times, the most impersonal spaces were always lifted by Marshie's humor and "good times" outlook. Family for Marshie was everything. There was no distant relative. Everyone holds a special place in her heart. "When are you coming home? I'm coming up there", she would often say to her DC family. Holidays, birthdays, reunions, and ANYdays worked well for Marshie to celebrate and be the "life of the party!" She worked hard and believed she should vacation equally hard. Travel and exposure was essential to her life. She took her "cruising etiquette" very seriously. She left no sand untouched!

She leaves to this earth her favorite people, her sister Ronzella Raelette Coleman Lofty, her brother Brendan Douglas Coleman, special uncle and aunt William "Bill" Arnold Coleman Jr., and Sandra Joyce "Joy" Coleman, one aunt Renee Robinson, her nephews Scottie Devon Coleman, Michael Bryson (Terri) Bowling, Julius Marshall O'brian (Sarah) Bowling, Brendan Marshall Coleman; her nieces Janielle Shavonne Bowling and Kamesha (Darrin) Coleman, two special cousins, Bill and Tony Coleman. Several great nieces and nephews: Zaylah, Zamari, Braelyn, Julius II (JuJu), Kellen, Shiloh and two special step-children, Kevin Moton Jr. and Duanna Moton, and several cousins and close friends and special friends Desiree Bridges and Lisa Fields.

Due to COVID-19 restrictions, state and county requirements will be followed strictly. There must be 6 feet separation between people at all times and ALL MUST WEAR MASKS.

The family will have a private service on Saturday November 28, 2020. Graveside services will be held at 3:00pm at Happy Valley Memorial Park in Elizabethton, TN.

Graveside services will be held at 3:00pm at Happy Valley Memorial Park in Elizabethton, TN.

“ *Dearest Coleman Family,
My prayers and thoughts are with you during this time. In my 38 years of teaching, there are student names that are always present in the old mind. Coleman is one of them for this family was always spunky and respectful and the love of learning was there. May God hold you and comfort you in this dear time of loss. Hold on to your memories and lean into God's loving arms and feel His comfort.
Love in Christ,

“ To the Coleman family; My self and Jeannie send our deepest condolences to you all. We can remember letting Marcie spend some time in our hotel room in between going to various gambling sites in Biloxi some years ago. She always kept a beautiful smile and never met a stranger that became her friend. Our prayers are with the entire Coleman family during this difficult time as she left us way too soon.

“ We met on the first day of our job in 1998! Instant friendship... you
may have heard her say “ Thelma and Louise” as we would go on
another road trip. We went to watch SHHS football, Bryson’s college
games, my son’s college games, MU games ect... we shared good
times, hard times, fortune and pain! Most of all we shared love of
friendship and our families! What a true warrior and fighter. One
thing she said often..From the bible- Victory shall be mine! I know
she is well and smiling down on us! To her family-share the
memories. She was a funny lady and loved her family so much!

“*Marsha is my friend of 33 years. She referred to me to everyone as her sister from another mother. From the moment we met we just clicked. She lived in my home for a short while many years back. Those were fun times alright! She was my son's "Aunt Marsha" from the time he was 5 yrs old. Now at almost 38, he was beside himself in tears at the news. My husband and I shared many good times with Marsha and her family. Remember playing horseshoes and eating wings? Ronnie always made hot wings but always said, Don't worry I will make some plain for the white folk! (referring to me). That was the only time I was ever referred to in that way. We were family plain and simple. I will love her and will miss her greatly. I didn't get to see her that last three times I came to Johnson City over the past couple of months. The last time was just a week before she was in the hospital this last time. Vic got her dinner the night before she passed. She had a craving for Pineapple chicken. I spoke to her briefly that night, she was tired. We told each other we loved each other and maybe next time we could see each other. I called her again Tuesday but got no response...I didn't know at that time. She was the sweetest most giving person. I will treasure her always in my heart where she has always held a special place. I love ya girl...*
