“ To The Barber Family...

I recently learned of the passing of my dear friend, Matt. We attended Stratford High School, in Stratford, CT together. Between his many talents and my love for music, he took me under his wing and taught me how to dance and sing at the same time. Our "group" performed all over the town for many events.

Rest in peace and thankyou for your wonderful belief in Jesus Christ. You will never be forgotten.

Sincerely,

*Judy (Buda) Nielsen

“ *Matthew was my classmate and friend. I had lunch at his house and he played piano by ear like magic. In 5th grade Matthew, Christine Hunter and myself sang to Birdseye students. We sang Down by the River side with Matthew on piano. We lost touch during the years but I see God used his talents to spread love and kindness. May our Lord Jesus may and protect all of Bishop Matthew Barber's family and friends. God keep you Matt. Cliff*

“ I was privileged to have known Bishop Barber. I first met him on my Emmaus Walk, but saw him many times at other musical and spiritual venues. When my son had to take a class after receiving a ticket, I was pleased to learn that Matthew would be teaching the class.

A musical group I was with at the time, Crosswinds, was pleased to provide music once as he preached a revival.

Until we meet again...

I have spoken at his church and my gospel group has sung there and we felt the spirit of our Lord and kinship. I will miss my brother but I know we will meet again when our Lord returns or I go on before. May the peace and grace of almighty God be with you, the family and friends, as we look forward to our homecoming in the sky. Our loss is Heaven's gain.....until then my brother.....*
