“ To cousin/sister Johna, know that I’m praying for your strength through this time of sadness, we know that we all must go through this (death) we just don’t know when but we must be ready, I know it’s not going to be easy right now and I also know your faith in the Lord will allow it to be bearable, I’m here for you I love you and I’ll always keep the memories of your Mom in my heart.

“ To my dearest mother. I love you and know that you are resting with many of the saints in paradise. Thank you for all that you did for us, all the sacrifices you made for the family. This is now time to rest and be made whole in Christ! To be absent from the body to be present with the Lord! Rest and know we are going to be ok. We will meet again on that great getting up morning! I love you momma Johna "Michelle"
