“ *I am so very sorry to learn of Nyse's passing. She fought a valiant battle against this disease and did so with dignity. As she has gained her wings and passed through the veil that separates mortals from eternity, please rest in the knowledge that she is experiencing peace and joy that we can only imagine. Oh to see the face of our Creator is beyond our wildest imagination, but our souls yearn for that reconnection because God has His imprint on us as we are fashioned in His Image. May each of you, father, children, siblings, cousins, extended family and friends feel the presence of God's unfailing love and mercy during this difficult time and in the days to come knowing that you will see her again as you live your lives in accordance to God's Will. May precious memories comfort you 🙏*
