“ *You were the best mom a kid could ask for. No matter if I was in the right or wrong you always had my side! We spent many nights talking about our bond, and how me and you stuck like glue! We always will be no matter how far away we are from each other. I love you so much momma, you'll always be in my heart and mind til we meet again! Rest in paradise momma no more pain, or doctors! You and mamaw hold it down up there for us, my guardian angel for life! ❤️*
